CONTINUING THE TRADITION

From our beginnings as a tour operator, the way we travel has been distinct. Our preference is to charter small ships so that we can arrange itineraries that optimize both golf and touring experiences for our guests, and our most prolific charter relationship has been with Sea Cloud Cruises.

In fact, our first ever charter as Kalos Tours, an archaeological tour of Greece, was aboard the original *Sea Cloud*, and our first ever golf tour in 1997 along the Danube was aboard the original *River Cloud*, a ship owned at that time by Sea Cloud Cruises. In addition to a dedication to European-style, five-star service, there was a classic and comfortable feeling aboard both. *Sea Cloud*, built as a private yacht by E.F. Hutton and his wife Marjorie Merriweather Post, set the standard as a timeless and elegant sailing vessel.

Kalos guests relished the private club intimacy and service aboard *Sea Cloud*, and when *Sea Cloud II* was launched, with larger, more uniform cabins, and the familiar configuration and standards of an exclusive hotel, we expanded our close relationship with Sea Cloud Cruises.

To date, we have operated more than 250 charters aboard Sea Cloud ships. As Kalos guests will attest, when we are onboard a Sea Cloud vessel, the ship staff and Kalos staff work seamlessly as one team with a single goal: customer delight.

It is our great pleasure to continue the tradition of combining the world's finest golf and touring with the world's most unique and exclusive sailing vessel. *Sea Cloud Spirit* launches in the fall of 2020. Our first full charter aboard will be in the spring of 2021 and will feature the same level of first-class, personalized service and accommodations that our guests recognize. As well, *Sea Cloud Spirit* epitomizes the charm and tradition of a ship purpose-built as a classic sailing vessel, while simultaneously boasting "modern" enhancements including cabins with private outdoor space, a large full-service spa and a casual, on-deck bistro dining option.

We look forward to welcoming you aboard *Sea Cloud Spirit* in 2021 and in years to come.

Memorable Golf Adventures

FROM BARCELONA TO MÁLAGA, OUR journey is one of both harmony and contrast. Roman, Greek and Moorish influences weave a potent record of conquest and civilization from the Côte d'Azur to Catalonia, the Costa Brava to Andalucía. Cultural and artistic evolution in each of these regions has taken varying paths. Illuminating the marriage of ancient and modern along our route will be as much a delight as playing some of Europe's modern classics: Valderrama, PGA Catalunya, El Saler and Finca Cortesin.

This journey is our inaugural voyage aboard Sea Cloud Spirit; privately chartered for this journey, she is our exclusive club at sea. While ashore, we play an outstanding line-up of some of the best courses in Europe and explore captivating cities along the Mediterranean coast including Marseille, Valencia, Barcelona and Málaga. Our tours feature visits to coastal capitals, ancient villages steeped in culture, with stops at notable museums and historic spots along the way.

Traveling with Kalos Golf means never having to worry about your golf bag. Our staff awaits at every course with your bag placed on a cart and the practice facility cleared for your arrival. And don't worry about the pairings—we take requests or pair you with new friends who share your skill level and enthusiasm for the game.

Whether playing golf or exploring medieval towns with our experienced guides, shopping on your own or enjoying authentic Spanish cuisine, you will experience unsurpassed personal attention, returning from your journey with new and enriched friendships and memories of a captivating adventure.

MAY 6/7: HOME • NICE, FRANCE • EMBARK
SEA CLOUD SPIRIT

Depart your home city on May 6 for an overnight flight to Nice, France. After your plane clears the last of the snow-capped Alps, look for the sun to reflect off the crystal blue waters of the Côte d'Azur. You are greeted at the airport and transported to *Sea Cloud Spirit* in Nice.

.....

MAY 8: MARSEILLE, FRANCE

A full day of touring is offered today as we visit Aix-en-Provence and Marseille. Town of fountains and town of art, Aix-en-Provence has developed around this dual identity. As we walk through the hometown of post-impressionist painter Paul Cézanne, we see the landscapes he painted and the fields where local residents became his subjects. Step into the studio where props pictured in his still lifes remain, many just as he left them. Aix's grandest boulevard, the Cours Mirabeau, dates to the 17th century. Lined with plane trees, elaborate fountains and opulent mansions, it invites a leisurely walk or a drink in one of its many popular cafés. We return to Marseille and offer a panoramic tour that visits Notre-Dame de la Garde.

.....

MAY 9: PALAMÓS, SPAIN

GOLF: PGA CATALUNYA

Recognized as one of Spain's top five courses, PGA Catalunya's undulating land, dense with mature trees, is set dramatically against the Pyrénées Mountains. The surroundings are quite different from the courses we play in southern Spain. PGA Catalunya is always a favorite among Kalos golfers and is an ideal first round in our journey along the coast of Spain.

TOUR: GIRONA & COOKING SCHOOL

We visit the medieval city of Girona, one of Catalonia's most charming venues, which will look familiar to *Game of Thrones* fans as a prime filming location in that series, due to its authentic medieval setting. After our guide leads us through the old town's highlights, including the wonderful cathedral, we visit a cooking school to learn the ideal preparation of Spanish cuisine. We savor the fruits of our labor for lunch before returning to *Sea Cloud Spirit*.

MAY 10: BARCELONA, SPAIN

GOLF: ROYAL EL PRAT GOLF CLUB

Though the club was established in 1954, the current site of Royal El Prat dates to the late 1990's when Greg Norman designed and built this 45-hole complex. With large greens, wide and sometimes plunging fairways, the courses were built to accommodate international competitions. Consistently ranked among Spain's top courses, and Europe's top 100, El Prat will delight and challenge.

TOUR: MONTSERRAT

Montserrat is a rugged mountain on the outskirts of Barcelona, where we will visit one of the most popular pilgrimage destinations in Spain, Santa Maria de Montserrat Abbey. We will see the statue dedicated to Catalonia's favored saint, the Black Madonna, and tour the expansive and ornate Benedictine abbey.

.....

MAY 11: BARCELONA

Barcelona offers a cosmopolitan flavor and some of the best known architecture in Europe. All guests will enjoy a panoramic overview of the city with visits to some of its most notable sites, including the Park Güell, Passeig de Gràcia and Gaudí's famed Sagrada Família.

.....

MAY 12: VALENCIA

GOLF: CAMPO DE GOLF EL SALER

For the traditionalist, El Saler is Spain's best course, and is considered Javier Arana's greatest work. Half the holes work their way through lush pine forests and the rest is true open links land, blending in with mountainous dunes close to the sea.

TOUR: VALENCIA

Today's tour begins with a panoramic exploration of Valencia's lively cultural and historic treasures. We visit the UNESCO World Heritage Site Llotja de la Seda, a masterpiece of Gothic architecture, and the Valencia Cathedral, which holds an agate cup claimed to be the Holy Grail. We will also see the modern architectural marvels of Valencia's City of Arts and Science.

.....

MAY 13: DAY AT SEA

Settle in aboard *Sea Cloud Spirit* and delight in a full day at sea as we cruise the coast of Spain. Sit back and watch skilled deckhands as they scale the masts that reach almost 190 feet high and hoist the sails on a vessel that sets a new standard in a family of the finest hand-sailed square-riggers of our age.

.....

MAY 14: MÁLAGA, SPAIN • DISEMBARK *SEA CLOUD SPIRIT* • FINCA CORTESIN

We bid farewell to *Sea Cloud Spirit* and her crew as we disembark and transfer to the casually luxurious Finca Cortesin Resort for the remainder of our time in Spain.

GOLF: REAL CLUB VALDERRAMA

Regarded as the “Augusta National of Europe,” Valderrama has consistently been ranked in the top five courses in Europe and is also ranked among the world’s top 100 courses. An abundance of cork, oak and olive trees give each of Valderrama’s holes a distinct shape and look. The playing conditions are impeccable and the setting is bucolic. A Ryder Cup venue and regular host of the Andalucía Masters, Valderrama regularly receives the highest praise from the world’s finest golfers.

TOUR: MÁLAGA

The Phoenicians founded the city of Málaga in the 8th century. We start with a drive to visit the famous Gibralfaro Castle located on a hilltop, with a commanding view of the city. Afterwards, we return to the city center to see the majestic Cathedral of Málaga and a walking tour through the old quarter. We have time for lunch and shopping before we visit the remarkable Picasso Museum.

.....

MAY 15: MÁLAGA

GOLF: LA RESERVA CLUB

La Reserva Club winds through the undulating hills of Sotogrande, with idyllic views in all directions. Wide, receptive fairways offer a variety of options off the tee, allowing players to ease into all but a few holes. The challenge at La Reserva is measuring the elevation change in approaching mammoth greens, which alternate from long, deep and narrow, to wide and short from front to back. Distance control will be critical here to avoid long putts on the well-manicured and contoured greens.

TOUR: RONDA

Touring guests travel to Ronda, which sits on a massive rocky outcrop straddling a steep limestone crevice. Ronda was one of the final Moorish bastions because of this wonderful strategic position. Our guide leads us on a narrated stroll through the compact old city center which includes a visit to the cathedral and bullring. We enjoy cheese and tapas in a local restaurant along with spectacular views from our vantage point overlooking the valley of olive groves that stretch out below us.

MAY 16: MÁLAGA

GOLF: FINCA CORTESIN GOLF CLUB

A four-time host course for the Volvo Match Play Championship, this open country course is consistently ranked near the top of Spanish golf courses. The dramatic elevation changes will keep you on your toes as you weave through scenic valleys with fantastic views of the surrounding hills and countryside. Dotted with water hazards, waste areas and well-placed bunkers throughout, Finca Cortesin presents an enjoyable challenge in a beautiful landscape, an ideal closing round to our journey.

TOUR: MIJAS

Take a look behind the scenes at Spanish country life. This classical village with a strong Andalusian flavor offers wonderful views of the coast. On a clear day, you can see Gibraltar. Cobblestone streets and charming, whitewashed houses are the classic sights of this picture-postcard Spanish village. Of special interest is the unique square bullring dating from Moorish times, and a charming chapel dedicated to Our Lady of the Rocks, hewn out of the hillside.

SEA CLOUD SPIRIT

A NEW STANDARD

Building a fully-rigged three-master in the 21st century may seem a relic in today's world of bigger and faster excesses. Sea Cloud Spirit is indeed a throwback to a time of standards and traditions, and represents Sea Cloud Cruises' commitment to a passion for sailing.

With 69 cabins, all with marble bathrooms, served by 85 crew under sails that soar to 190 feet, Sea Cloud Spirit combines the romance of a windjammer with modern comforts and first-class European service; setting new standards in ocean travel.

As Sea Cloud II built upon her predecessor, so does Sea Cloud Spirit, with a classic outline and elegant styling familiar to sailing enthusiasts the world over. Enhancements include a generous number of cabins with outside balconies, an extensive sun deck, a gym with panoramic views and an exclusive and expansive spa and wellness center. And, in addition to a fine dining menu in the restaurant each evening, an optional bistro menu is available on the Lido Deck.

It is our great privilege to partner with Sea Cloud Cruises to sail aboard Sea Cloud Spirit and we invite you to join us on this magnificent vessel, as we continue to discover the greatest golf and touring the world has to offer.
